THE

REIGN OF

THE

PREFACE.

Had we been governed exclusively by the great absorbing principle of action and general stimulus to every species of public enterprise, **PROFIT**, we should not have presented to the business population of Buffalo, this our second annual edition of the **BUFFALO CITY DIRECTORY**. But, so long as we do not suffer materially in our pecuniary interest, we are willing to sacrifice something in the way of time and attention, rather than to suffer so material an item to be stricken from our little sum of public conveniences as a City Directory. We have no hesitation in affirming that there is no City in the United States, of its size and population, that is visited by any thing near the number of strangers that annually visit Buffalo. Scarcely ever a stranger arrives who does not immediately enquire for the residence of some man of business, relative or old acquaintance, on whom it is necessary that he should call, even if his stay in the City be but for a single night. To these, as well as to resident business men, a City Directory is highly important. And, independent of the catalogue of names and residences, such a record of city statistics as a Directory should be, and as it has been our aim to make the present edition of ours, could not be dispensed with

without reflecting discredit upon the public spirit and home pride of a people so far and so justly famed for enterprize, as are the citizens of this great and rapidly growing Queen City of the Lakes.

We have availed ourselves, not only of our own observations during the past year, but of all the hints we have received from our friends, to rectify all statistical errors and omissions, and have spared no pains to render the present edition more full and more perfect in all its parts, than the last.

We do not hope, in the present instance, for a better result than the reimbursement of our actual expenditures; but we think we can see in the radical reformation which has taken place in the business community, a sure guaranty that Buffalo is soon to be redeemed from the purgatory of commercial lassitude in which she has for the last three years been expiating the sins of her season of madness. This gives us courage to persevere and do what little we can towards keeping up the character of our City, until she shall be fully resuscitated and restored to her wonted progressive power, when we hope to accompany her in her onward and upward march to the goal of her destined greatness.

BOUNDARIES OF THE SEVERAL CITY WARDS.

The City is divided into five wards, as follows, to wit ; all that part of the City which lies south and east of the following lines, to wit:

EXPLANATIONS.

Throughout this Directory, the Christian names of those where there are more than one of the same surname, are alphabetically arranged. The firms are always placed at the last of those of the same name: when females are known to be widows, they are so designated, and placed immediately preceding the firms, in correct arrangement; and a scrupulously strict alphabetical arrangement, (carefully conformable to the correct spelling of the name,) is observed throughout the work.

In searching for a name, the inquirer must know the proper spelling—for instance, if Baley is sought, not look for *Bailey*; for Schneider, not look for *Snyder*; for Schmidt, not look for *Smith*—and *vice versa*.

The words *street*, *store*, *office*, and the prepositions *of*, *at*, *with*, &c., are not expressed but understood—the place of business is placed first.

ABBREVIATIONS—h. stands for *house*—c. *corner*—bd. *board or boards*—ab. *above*—bl. *below*—bt. *between*—e. *east*—w. *west*—n. *north*—s. *south*—op. *opposite*—lab. *laborer*—cab. *cabinet*—wid. *widow*, &c.

By a reference to the list of streets, on the 30th page, the abbreviation of their names will be understood.

From the Buffalo Daily Republican, March 14.

LIBERALITY.—A *bright and shining* example of liberality to the press, is now before us. It is one auspicious to *polished* refinement. It is one that is sure to call up pleasing *reflections* from the *darkest side* of things. It is one that *enlightens, meliorates, and improves* the most *benighted understanding*, and throws back upon the eye of the delighted beholder, the light of his own benevolent countenance. It is a dozen boxes of PRESCOTT'S celebrated *United States Oil Paste Blacking*.

Th excellent qualities of this *illumination of darkness* have been amply tested during the two years past. It is universally approved, and all other kinds are rapidly going out of use—the demand for this article having be-

come so general, as to drive all others out of the market.

We are proud to claim Buffalo as the residence of the inventor, and the place where this excellent article was first manufactured. It is now made in New York, where the proprietor has established a manufactory, and is about doing the same in several other cities. We wish him success—for nobody better deserves to grow rich than the inventor of the *United States Oil Paste Blacking*.

HUNTER'S MEDICAL OFFICE,

No. 12 Exchange street, under the Mansion House, 6th door from Main street.

[Established exclusively for the treatment of all Diseases of a delicate nature.]

Dr. Hunter's celebrated Red Drop, which is warranted to effect a quick, permanent and safe cure, in all SYPHILITIC diseases, or no charge.  Can be obtained privately at the above office.

DR. HUNTER'S ANTI-MERCURIAL SYRUP AND HEALTH RESTORATIVE.

To persons suffering from the abuse of mercury, and the effects of a certain disorder, imperfectly cured, with a remnant of the disease still lurking in the system, sapping the vitals and undermining the constitution, this medicine is indeed invaluable. This active alterative and purifier of the blood is particularly adapted to those afflicted with syphilitic and mercurial rheumatism, with pains in the bones, sometimes attended with lumps and indurations, tedious, indolent and scrofulous sores; sore throat, with pains in the head, discoloration and eruptions on the skin, with falling out of the hair, attended with general debility. This medicine, while it cleanses and purifies the blood, eradicating every particle of disease, at the same time promotes the secretions, aids digestion, and imparts fresh tone and vigor to the whole system, renovating and restoring the broken constitution, when other remedies are of no avail.

The following is one of the many certificates that have been received, in proof of the efficacy of Hunter's Red Drop:

CAMPTOWN, N. J. Jan. 13, 1839.

Dear Sir:—Having in an unguarded moment contracted that dreadful disease, the v—l, in your city, and suffering greatly under its virulent effects, and having tried all remedies without success, gave up all hope, until seeing your advertisement, when I purchased one bottle, and am entirely free from it and its effects. Thanking you for the good it has done me, and thinking if it be of any service to publish the above, you are at liberty to do so. I remain, sir, yours, with gratitude,

JOHN S. B***H.

CHRONIC RHEUMATISM OF TWENTY YEARS STANDING, ATTENDED WITH SCROFULA.

STATEMENT OF CONFIRMATION.

EAST HAMBURGH, 3d Mo. 23d, 1840.

FRIEND BRISTOL,

It is with much pleasure I can inform thee of the great benefit I have already received from the *Sarsaparilla Extract* bought at thy store. I considered it my duty to make this communication to thee as soon as I was satisfied that *permanent* relief had been obtained; in doing which, I hope to pay a debt of gratitude, not only to thee, but any one who may be afflicted as I have been, and who by reading this communication may be induced to try this safe and effectual remedy.

My constitution is so much broken by the ravages of that dreadful disease, the Chronic Rheumatism, for the last TWENTY YEARS, that to be entirely restored to my former health and strength would be almost equivalent to raising one from the dead. But from the very unexpected and seeming incredible relief already obtained, I have great confidence and hope of regaining a degree of health and ability which a few weeks ago I considered beyond a possibility.

So severe had been the disease that every cord, joint, and nerve throughout my whole frame, had become so callous and swollen, and contracted, that it was with extreme pain and suffering I could move or help myself at all.

In addition to this affliction, a *Scrofulous Humor* broke out, about the same time the Rheumatism commenced its work of gradually paralyzing my system, and raged to such an extent, that my suffering from this disease was as much, if not more than the other.

It was with a view of obtaining some relief from the Scrofula that I was induced to try the Extract, well knowing the purifying properties of Sarsaparilla.

The first bottle did not affect the humor; but to my surprise, I discovered some joints that had been extremely swollen and set for years, began to recede a

little, and evidently grow less. This encouraged me to try another. I am now using the fourth bottle. The humor is gradually, yet very perceptibly disappearing. The largest swellings on my hands and wrists have been much reduced, and some entirely removed. I am enabled once more to resume my knitting and sewing, and can walk with more ease, and rest comfortably through the night; and my general health is much improved. Should I be so favored as to obtain further relief, will early advise thee of it.

With much respect thy friend,

HANNAH EDDY.

The undersigned are personally acquainted with the subscriber to the foregoing communication, and believe it to be in all respects a true statement.

ERYSIPELAS CURED.

BUFFALO, March, 1840.

C. C. BRISTOL,

SIR—I have used your Extract of Sarsaparilla as a family medicine for two years past, and am constrained to bear testimony of its efficacy in cases of Cutaneous diseases. A member of my family was attacked with *Erysipelas* in a very malignant form. I had confidence in your Extract of Sarsaparilla. I purchased a few bottles—it was used with *entire success*. The disease is to all appearance entirely eradicated. I look upon it as one of the most valuable Medicines for family use, that has been presented to the American people.

Yours truly,

A. M. CLAPP.
